

## You are the calm before and during the storm.

If you are here BEFORE the news of the FAKE ASSASSINATION of President Trump breaks, you need to share this blog now and also save it for later. To put it rather bluntly, I have absolutely ZERO respect for you if you do not share this. ZERO. I have risked my very life to write about this. I have been targeted by the Deep State in ways that you would not believe even if I could tell you.

Now, if you have even a shred of a conscience, even a tiny bit of compassion towards your fellow man, the least you can do is share this with as many Trump supporters as possible. **NOW**. Why is this so important? Because patriots will be committing suicide in droves. Need I say more?

Don't be selfish and keep this to yourself. Don't be a coward and care about what people will think about you. Don't be a traitor and let the Deep State suicide our fellow patriots.

From this point on, I am going to write in past tense, as if it has already happened.

If you are here AFTER the news of the FAKE ASSASSINATION has been reported, I want you to know first of all that God is bigger. Jesus loves you. You are here for a reason. This world needs you. Do not give up!

Yes, friends. The news of President Trump's death is FAKE NEWS.

### HE IS NOT DEAD, AND HE IS STILL OUR PRESIDENT!

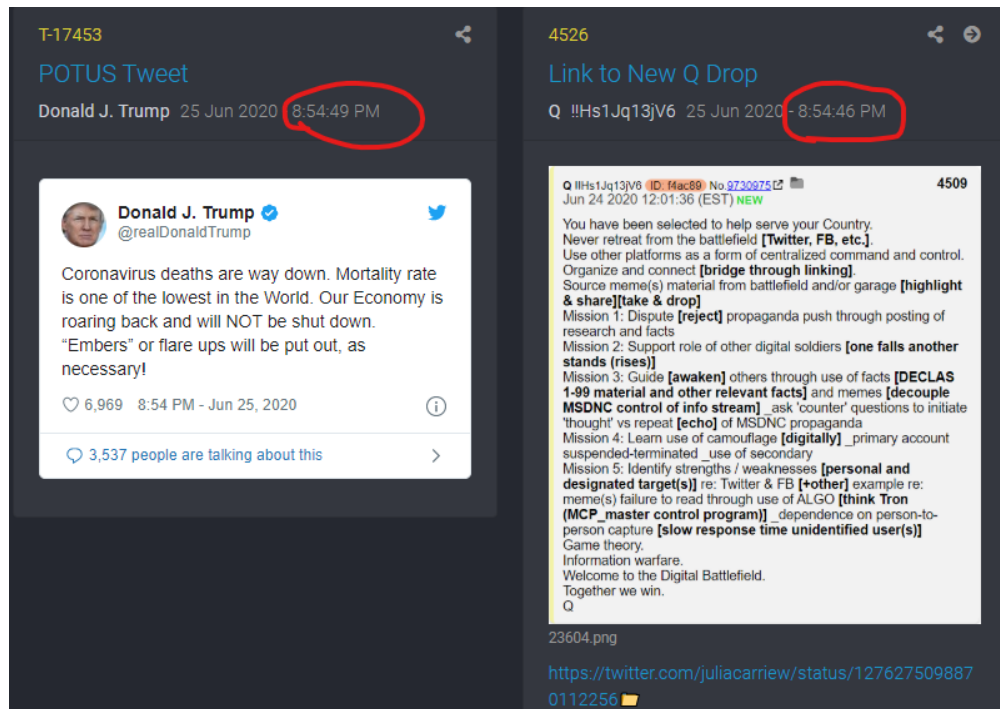

I have known since late August that the Fake News Media was going to report this lie of him being "assassinated," and I have been spreading this warning constantly since August 24th. The reason most of you have not heard about it until now is because those who have known it was coming, those who had the power to make this go mainstream, refused to share it. When this is over, they will not be able to walk down the street.

I have even known all the major details. For instance, I knew that the event would happen in Las Vegas. I knew that they would report "Trump's plane" had been shot down by a missile. I knew they would blame it on North Korea and that this would put the world on the brink of nuclear war. (I am going to assume that all of these details were correct. However, even if I missed one piece, that does not mean I am wrong on the main point that the assassination is FAKE NEWS!)

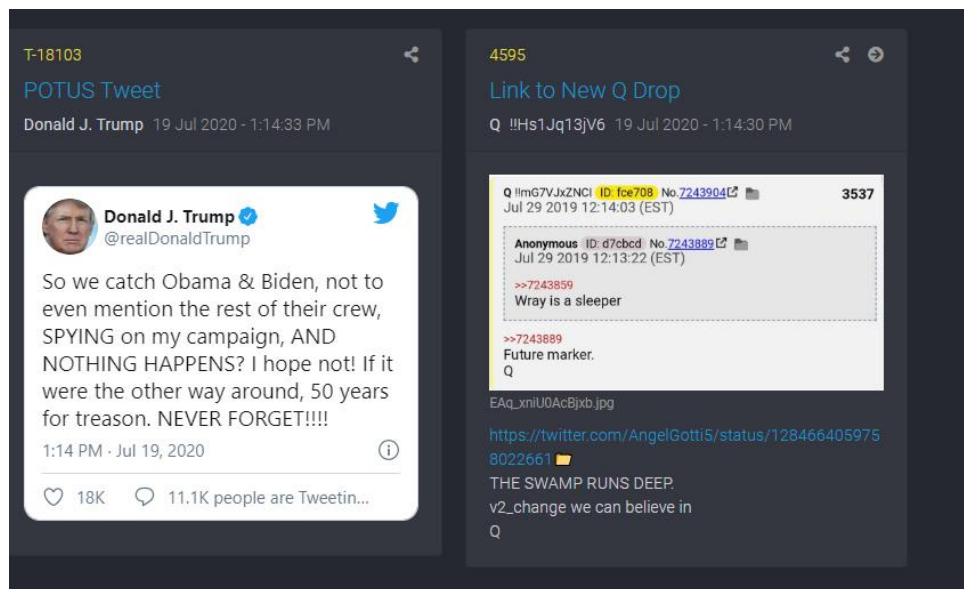

<https://notforthefaintofheartblog.com/2021/10/30/you-are-the-calm-before-and-during-the-storm-save-this-for-later/>

How did I know all of this?

For the last two months, I have spent countless hours decoding military intel that was posted to online intelligence boards by a group of people who went by "Q." How reliable is this intel? Allow me to answer a question with a question. Do you trust President Trump? Because he verified this intel himself. It is far too complicated to explain at the moment, but I assure you it is true.

One method of verification used by POTUS and Q was to post at exactly the same time. This is one of MANY examples. Only 3 seconds' difference.

Another example of a 3-second delta between Q and POTUS.

<https://notforthefaintofheartblog.com/2021/10/30/you-are-the-calm-before-and-during-the-storm-save-this-for-later/>

Do you trust Wendy Rogers, the State Senator from Arizona, the retired Air Force Colonel? Because she is part of the Q team. In fact, believe it or not, she has been guiding me over the last two months and helping me unfold the details of this plot one step at a time. I have multiple proofs of where she confirmed her identity, and I am planning to upload those to my blog as soon as possible.

In the meantime, allow me to pose a question. If Q was a fraud, then how is it possible that I knew all these details in advance? It isn't possible.

Not only was the fake assassination predicted in the Q intel drops, but it was also prophesied in the Bible!!! God just imparted this revelation to me yesterday. I kept wondering why I could not locate this prophecy because I'd been able to find almost every other detail about this moment in time prophesied in Scripture. I believe the reason I did not discover this before is simply that the timing was not right yet.

Why don't you guess what else is in Bible prophecy? Q is. Yes, Q is in the Word of God! I am currently working on another blog to explain all of these impossible prophecies.

Between the Q drops and Bible prophecy, I am convinced beyond a shadow of a doubt—not one question in my mind—that Donald Trump is not dead, and he will not die until he completes the mission that God has for him.

For those of you who have been Q followers for a while, you need to know that this is all part of the plan. They included this one event in the drops dozens of times.

What all of you are likely wanting to know is when this fake news hits, how long will the silence last? When will we find out that Trump is still alive? Though the good news could be revealed in just three days, I have full faith that it will at least come to us in one week via an emergency alert on our phones.

**Hold on! Have faith! Our Victory is coming!**

---

Instead of having you read everything I have ever decoded on the topic, here are the major points and proofs for now. I *highly* suggest that you download the following images to your mobile device or PC so that you have them archived, or you can download the PDF file below which contains the same information. Trust me. You will NEED to have an offline copy.

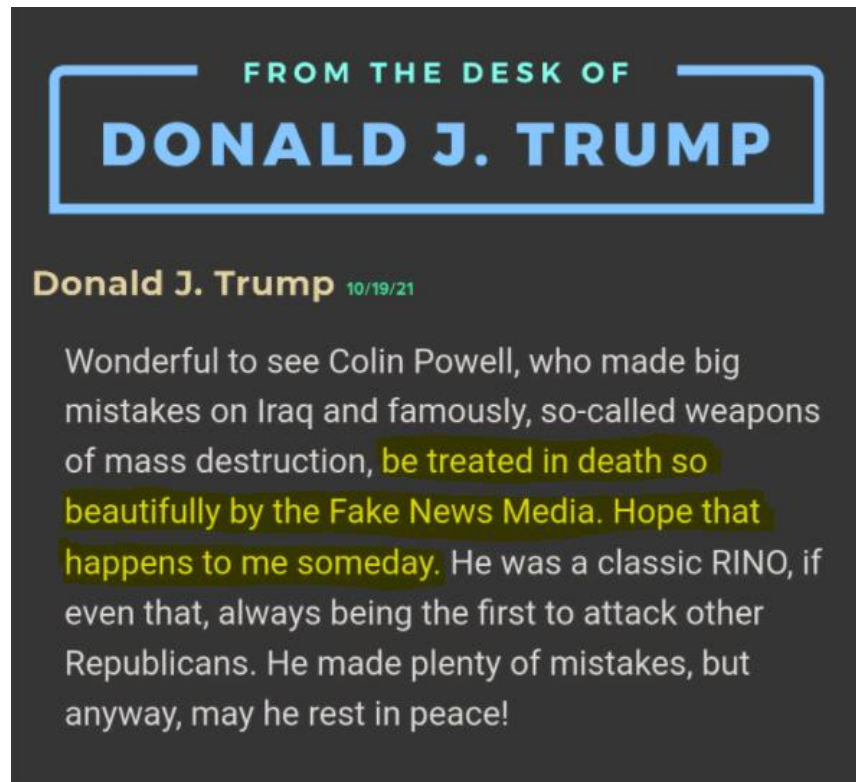

Click here to download a PDF copy of this blog.

For those interested, I will soon be uploading all of my decodes, including every confirmation from Wendy Rogers.

Here we go. By the end of this blog, you, too, should be convinced that President Trump could not have been assassinated and that he will be making his public return in short order. Please read to the very end.

<https://notforthefaintofheartblog.com/2021/10/30/you-are-the-calm-before-and-during-the-storm-save-this-for-later/>

First off, President Trump himself warned us this was coming. Read his statement over and over again. Think about it.

Here is a partial [transcript of President Trump's speech](#) at his August 21, 2021 rally in Cullman, Alabama. I believe "three or four days" was not referring to him catching the virus but to when we will read that he is still alive.

### Donald Trump: (12:14)

We said he would impose crippling shutdowns and restrictions on in-person schooling and that these painful policies would nonetheless fail to stop the virus. He didn't stop the virus. They say, "Oh, he gets wonderful marks." He doesn't get good marks. He's done a terrible job, including on vaccinations, including on everything else. And now the virus is back. The virus is back. I'm shaking hands with everybody backstage. I say, "Well, I don't know. Is this a good thing or bad?" You'll read about it in three or four days maybe, hopefully not.

Lin Wood noted how [they] told us during the Super Bowl halftime show what they wanted to do to America—engulf our cities in fire. Think riots and nuclear scare.

Lin Wood

1

The devil and those who worship and serve him must tell you in advance what they are going to do.

That is the devil's way of being exonerated for his wrongdoing. "Don't blame me, I told you so."

Pastors and preachers should tell their flocks more about the devil, how he operates, and how to deal with him. God is real. So is the devil.

Speaking of the devil, did anyone happen to see the Super Bowl halftime show this year?

It was a satanic ritual starting with the fallen angel and a satanic dance with the dancers wearing masks and dancing 6 feet apart. Wow! They danced the way they want to force us to live!!!

Talk about one weird halftime show!!!

Then in the background of the stadium there was an outline of a metropolitan city skyline surrounded by and almost engulfed in fire.

What was that all about? How does that relate to football and halftime entertainment? Was it a show or a warning? I just know I did not find it entertaining.

2

What was that all about? How does that relate to football and halftime entertainment? Was it a show or a warning? I just know I did not find it entertaining.

Wait. The thought just hit me.

Do you think these Godless Commies with their satanic beliefs are going to attack our nation and burn our cities?

Can you even begin to imagine a war on American soil against foreign and domestic enemies for our freedom and unity???

Wow, that sure would wake up the sleepers wouldn't it?

It that ever happened, and I pray it does not, we are blessed that our military became experts in urban warfare fighting those 20 years in an unjustified war in Afghanistan started by Traitor President Bush 43.

If that ever happened, we would probably not laugh about President Trump creating Space Force like the media Commies laughed when the President announced its formation.

I think Space Force is cool. And I think the United States under President Trump dominates space. Little wonder they call its members the Guardians.

Jesus takes the uncertainty out of the future and promises that "the best is yet to come."

Just sayin.'

These three Q drops are VERY important.

Key sentence: "We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens."

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind.”

God bless my fellow Americans.

'ROGUE\_FAILURE' is another marker.

188 exclamation marks

'POTUS DECLINE' = President Trump's death

'PREPARED AT ALL COSTS' = Under NO CIRCUMSTANCES will we let them succeed in actually assassinating him.

'COUNT YOUR BEATS' = Q drop 188. This narrative will be the end of the Deep State.

Another comprehensive decode of a key Q drop predicting the fake assassination. I did not have every piece perfectly in place back in September. Two major points I missed were why they would need to change the news cycle and what "rogue\_ops" means. (Hey, Wendy. I get it now!) I cannot explain the correct decode for either at the moment, but trust me, it's all good!

I want you to focus mainly on the last half, starting with the line "SILENCE [187] - no risk..." Interestingly, an ISIS threat was just in the news on October 29. "News unlocks."

Seth Rich only mentioned because it directly relates to SA.  
Las Vegas.  
What hotel did the 'reported' gunfire occur from?  
What floors specifically?  
Who owns the top floors?  
Top floors only.  
Why is that relevant?  
What was the shooter's name?  
What was his net worth?  
How do you identify a spook?  
What can historical data collection reveal?  
Was there any eye witnesses?  
Who?  
Was he registered as a security guard?  
Why is MS13 important?  
What doesn't add up?  
Was there only one shooter?  
Why was JFK released?  
What do the JFK files infer?  
Was there only one shooter?  
Who was in LV during this time?  
What was the real mission?  
Speculate.  
Why are survivors dying randomly?  
What do each of these survivors have in common?  
Did they talk on social media?  
What did they say?  
Were they going to form a group?  
Why is this relevant?  
How did they die?  
What CIA report was released by WK?  
What can control a car?  
How did the (2) of the survivors die?  
Car crash?  
How does this connect to SA?  
What just happened in SA?  
Who owns the top floors of the hotel?  
What happened today in SA?  
To who specifically?  
Was POTUS in LV that night?  
Yes/no?  
Why was he there?  
Who did he have a classified meeting with?  
Did AF1 land at McCarran?  
What unmarked tail numbers flew into McCarran that night?  
Trace AF1 that entire day.  
What do you notice?  
Classified.

North Korea's nuclear capabilities were defused early on during President Trump's first term, so any report that they have fired nuclear weapons is FAKE. "Stage set" and "great actors" remind us that it will be staged event with an actor, NOT the real President Trump.

Q

So, what's the conclusion? What's the end of the story?

**Simply that WE WIN! THE BEST IS YET TO COME!**

Read it. Believe it. Live it.

### Hebrews 10:35-39

<sup>35</sup> Therefore do not cast away your confidence, which has great reward. <sup>36</sup> For you have need of endurance, so that after you have done the will of God, you may receive the promise:

<sup>37</sup> “For yet a little while,  
And He who is coming will come and will not tarry.

<sup>38</sup> Now the just shall live by faith;  
But if *anyone* draws back,  
My soul has no pleasure in him.”

<sup>39</sup> But we are not of those who draw back to perdition, but of those who believe to the saving of the soul.
